1. An unidentified number of heavy antiaircraft guns are located behind a small hill immediately south-southeast of Kazanluk. In this vicinity there are approximately four light automatic antiaircraft guns.
2. Eight searchlights are located in the vicinity of Stara Zagora. A tall building surmounted by a white light is situated in the center of town.
3. At a fork in the Stara Zagora-Chirpan road, at the southwest corner of Stara Zagora, there is a deep excavation 160 x 160 meters in size. Heavy earth-moving equipment is being used, the area is brilliantly lighted, and work was observed in progress as late as midnight.
4. Sofia/Bozhurishte airfield is well lighted and includes runway and approach lights. Approximately two kilometers south-southeast of the airfield there are two masts, each 50-60 meters high, with white lights at the top center, and bottom.
